

FACES DEATH TO STAY WITH BABES

Suffering from Blood-Poisoning,
Young Mother Declines to Go
to Hospital—Signs Paper Re-
leasing Physician from Blame.

Rather than part with her two little children, Mrs. William Acker, a young wife, whose home is at No. 122 West 47th street, faces death, accompanied by acute suffering. She has even signed her own death receipt, releasing a surgeon from Lebanon Hospital from all responsibility.

Some days ago Mrs. Acker stepped on a tack while going about the house at night to attend one of her children, and blood poisoning developed. Her suffering became terrible, but she refused to take the advice of friends and go to a hospital for treatment. Fearing that his wife would die, the husband sent to Lebanon Hospital for an ambulance, and Dr. Barnett, who answered the call, found the woman's leg twice the ordinary size.

"Your condition is very serious," the physician told her. "I must take you to the hospital to save your life."

"But I will not go to a hospital," answered the mother. "I have two little children to look after and there is no one except me to care for them."

"But I will be to blame," replied the physician.

"You won't be blamed," insisted Mrs. Acker. "Give me pencil and paper and I will sign a receipt which will release you from all blame."

Then the young woman wrote a release, in which she told how she could not leave her children and how she preferred braving death and standing any amount of suffering to being parted from her children.

The physician said that the woman could not possibly get well unless she was treated at once. He added that it would probably be necessary to amputate her leg.

Mrs. Acker's husband is a real estate dealer.

MISS DOD, WOMAN GOLF CHAMPION OF ENGLAND, WHO SEEKS HONORS HERE.

Miss Lottie Dod.

The golfing interests of the country will be centered this week on the women's amateur championship, which begins this morning with an eighteen-holes qualifying round, over the links of the Merion Cricket Club, Haverford, Pa. Eighty-four women have entered, and the best thirty-two scores made will qualify for the championship at match play.

The competition will be conducted under the auspices of the United States Golf Association, and increased interest is added to the event by the entry of Miss Lottie Dod, champion of Great Britain, who has been drawn to play with Miss Maud K. Wetmore, Newport Golf Club.

They will be the sixth pair to start, and will drive off from the first tee at 10:25 A. M. The pair who will start first and will lead the procession over the course are Miss Page Schwarzwald, Dyker Meadow, and Mrs. Elliott Rogers, Allegany Country Club. They will start promptly at 10 o'clock. The next pair, Miss Pauline Mackey, Oakley Country Club, and Miss Louisa B. Elkins, Pittsburg, will follow five minutes later, and the other pairs will be sent off at five-minute intervals until the last pair are reached at 1:35 P. M.

BROKE NECK BY FALL DOWN SHAFT

Driver Found at Bottom in Dying Condition—Elevator Man Under Arrest, but Doubtless Will Be Released.

Samuel Jackson, thirty-four years old, of No. 314 West Thirty-sixth street, a driver for the American Ice Company, was found in a dying condition at the bottom of the elevator shaft at No. 309 West Twenty-third street to-day. His neck was broken, and before a doctor could reach him he was dead.

Just how Jackson fell in the shaft is not known. Arthur Haycraft, the elevator man, was coming down from the top of the building when he heard groans at the bottom of the shaft. He summoned a policeman, who found Jackson.

Haycraft was placed under arrest as a formality, but undoubtedly will be released in court later in the day.
